Name: _____ Class: _____

1 Read the text and number the photos in the correct order.

On the 4th of November 1922, Howard Carter discovered Tutenkhamun's tomb. Behind the first door he found jars and chests. Then he found another door and behind that door he found beds, chairs, and statues of animals. Inside the chamber he found children's games, feathers, and baskets of food. Then he found another door and behind that door he found a huge sarcophagus made of gold. Inside the sarcophagus he found a golden death mask and Tutenkhamun's mummy. Then he found another door! Behind that door he found chests with jewels and gold, and a beautiful statue of a black cat.

2 Read the text and label the pictures.

Egyptian society was like a pyramid. The gods and goddesses were at the top of the pyramid. Then there was the pharaoh with his wives and his children. After that there were the noblemen and then the scribes. After the scribes there were the other workers like the artisans. Finally there were the farmers.
